

CBC Tally with pizza

Saturday evening, Dec. 17th

After the count is over, we will be meeting at Ball Park Pizza in San Juan Capistrano to get together and compile our count results. We've reserved the room from 5:00 - 8:00 PM, so if you finish early and want a place to sit down and finish your CBC paper work, this would be a good spot to do it. (Since they only allow us to reserve the room for a 2-hour period, Lauren & I called in 2 different reservations. From 5:00 - 6:00 the room is reserved under my name "Nancy" and from 6:00 - 8:00, the room is reserved under her name "Lauren" or "Audubon" or "CBC.")

We would like to start our tally no later than 6:30 — since some of us need to get up early on Sunday morning for the next CBC — so if you arrive early, go ahead and order your pizza so you'll be all ready for the Tally when it starts.

Everyone who participated in the count is invited to attend the Tally at the pizza parlor, so please invite any birders in your group who are interested in finding out about our count results. The more people in attendance, the more fun it is.

If you will not be able to attend the Tally, please let Lauren know. You can contact her by email or leave a message on the Starr Ranch answering machine. ([949-858-0309](tel:949-858-0309); sustainablebird@gmail.com)
