

“Sea and Sage Audubon Society's mission is to protect birds, other wildlife, and their habitats through education, citizen science, research, and public policy advocacy.”

Volunteer Opportunities - Do Your Part to Help The Environment!

Sea and Sage Audubon depends on volunteers like you to accomplish its mission and goals. Come be part of a friendly and fun team of nature lovers and protectors. Put your talents into action. Opportunities are available for one day or long-term. From the list below, choose a specific way that you can make a difference. Volunteer today!
