

**You are invited to...
The Huntington State Beach Least Tern Natural Preserve
Docent/Monitoring Program
2017 Season Wrap-up and Pot Luck!**

Date: Tuesday, August 22, 2017

Time: 6:30 - 8:30 PM

Place: Huntington State Beach Lifeguard Headquarters at PCH & Magnolia St.

Enter at Magnolia and PCH. If you do not have a parking pass, tell the person at the gate that you are there for the Least Tern gathering. Your parking will be free for this event.

Pot Luck details: Please bring your own drinks (no alcohol at State Parks), plates, utensils, condiments and dish to share. The dish to share can be anything - Main dish, salad, dessert.

There is no BBQ available, so if you want to bring your own chicken, meat, etc. it will need to be pre-cooked, ready to eat.

We will have nest counts only for this season but we will have a chance to share stories and photos. We also have stats for the 2016 season.

Please bring a guest if you wish, and anyone interested in our program.

We thank you all for your support of our docent program and for your dedication to “our” special local endangered California Least Terns and threatened Western Snowy Plovers, too!

Please RSVP by email, only to let me know if you are coming.

Hope to see you there!
