

Sea & Sage Audubon Society

Sunset Stroll

for adult couples-only

Thursday, July 2, 2015 from 7 PM to 9 PM
This event is pre-paid only: \$30 per adult couple.

Listen to night birds!
Smell aroma of fragrant coastal sage plants!
Witness the spectacular changing colors of the sky!

Join our Audubon biologist Trude Hurd with your favorite companion for a quiet evening in nature at the beautiful San Joaquin Wildlife Sanctuary in Irvine. We will gather indoors for light refreshments, then take a stroll around the fresh water ponds as the day slowly wanes. Finally, we'll sit outdoors to watch the sun set as we enjoy dessert. Proceeds benefit our conservation and education efforts.
