

## HOW TO REPORT A TAGGED TURKEY VULTURES TO THE USGS BANDING LAB

You will need the following information to complete the report:

- Wing Tag Number (any corresponding symbol such as a dot ●)
- Wing Tag Color
- Wing Tag is on the Right or Left Wing
- Date and location of bird sighting
- Other notable information (e.g., alive/dead) as requested  
*Such as: White wing tag, 1A dot, on right (as shown) →*

### Web Search (*Preferred Method*)

- Search: Report Banded Bird
- Or Go to: <https://www.pwrc.usgs.gov/BBL/bblretrv/>

Follow the tabs (Intro/Beginning/About Bird/Marker Info/....)

*Note: Report as "Color Marker Only"*

Photo: Raul Roa

*Vultures are marked with Wing Tag/Color Markers ONLY (leg bands are not used).*

*Example White wing tag, #26, on right.*
