

You are invited to join Sea & Sage Audubon for an Earth Day Celebration

April 14th 9:00 - 2:00

Raptor Encounter - Limited to 75 guests

The OC Bird of Prey Center will treat visitors to a live bird demonstration. A trained bird handler will talk about the unique physical and behavioral adaptations of raptors. Everyone present will have an opportunity to see these remarkable birds up close and ask questions about the species. Presentations are geared for all age levels.

Presentation sign ups start at 10:00am on the day of the event on a first come, first served basis.

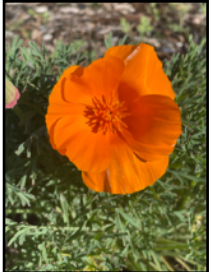

Let your creativity soar at our eco-friendly craft table

Activities include making children's binoculars or a mini rain stick using toilet paper tubes. Or maybe you'd like to make a paper bead necklace or bracelet using recycled paper. Add a dash of creativity with colored paper or paint.

Gardening - If you feel more creative in the garden, we will have a seed planting station where you will be given a compostable pot, soil and seeds (while supplies last)
